

Middlesfur October Halloween Friendly competition.

Happy Halloween! For the October meet, I'm putting together a Halloween spectacular! This is a **friendly battle**, so please keep this in mind and don't go overboard with IV and EV Pokémon, some of us are experienced players who have been playing this for a long time, don't discourage new players by being unbeatable. Mega-stones are banned; however, Z moves dark ghost and poison will be allowed. Anyone interested can contact Tempus. Bring your 3DS and cartridge to the meet on Sunday.

Allowed Pokémon: I've tried to make this list comprehensive, if you think I've missed any Halloween themed Pokémon, please feel free to contact me.
